MPM Plug Software Installation and Activation Instructions

1. Open the websit(www.tuner-box.com) to download the MPM software (you need to enter your email and mobile phone number when downloading the software).

Hom WELCOME TO Contact Support Facebook group Login
Download VCM Suite × 4567 • • 36
The Magic Car Tool

2. After downloading the MPM software, extract it to the C drive (the computer needs to turn off the antivirus software)
